President's Report

We would like to take this opportunity to welcome everyone to our brand new club—Sutherland Titans FC. Whilst we are still in the early stages, we are extremely happy with how things are progressing.

We would like to thank the committee of the Sylvania Soccer club for donating their home grounds to us every week. They also put in a lot of work every Saturday to ensure that everything runs smoothly, and we are very grateful. We're sure that you agree that this makes it much easier for the kids to settle into their soccer routine every Saturday! We would also like to thank the people of Gynea United Soccer Club for their continuous support whilst we have been getting the club off the ground. Without their help we wouldn't be able to put together our games every week and especially to the Gynea secretary, Mrs Ward.

Mrs Ward does a fantastic job in ringing around setting up games and referees so our kids can play soccer every week and we are extremely grateful for all her help.

On that note I would like to mention how proud we are of all the Titans, the joy we see on their faces every week, makes every second worthwhile, and we hope we will be around for many years to come.

Till next week!!!

Team News and Match Reports

Koala Bears v Kirrawee 6/5/06

Score: Not important

Well, our little Koala Bears did us proud yet again !!

We had a few changes being on a different field, and coaches not being able to run on but we all coped beautifully!

Joelie arrived not too happy at first but he was quickly grinning when he realised he would be playing against his old friends from Kirrawee and he had a fantastic game!

Ben constantly impresses us with his runs on the outside line and beautiful crosses to a waiting Alex who expertly knocks them into goals.

Our super sweeper Adam was doing some great defensive clearances closely supported by our super tough back line of Conner, Jack and Tim, with Michael going on some great chases in the mid field.

Everyone has settled into the 2006 season wonderfully and we look forward to a happy and fun filled year!

Thanks to Tim's dad David for running with the team and to Kimberly for stepping in!!

Bree and Sara

Polar Bears match report

Opposition: Bonnet Bay U12's

Another great game for the Polar Bears! The team started the match at a hectic pace with Keegan leading the charge up front, scoring 4 goals during the match. He was ably supported by Ryan who made many charges to the goals and scored a fantastic goal in the 1st half. Alex had a great game in the mid field and is combining very well with Arielle who is getting very accomplished with her kick-off's. Brandon also played a tight running game and scored a great goal in the 1st half of the match. Josh was our goalie in the 1st half and made some great saves and joined Keegan in the 2nd half leading our offensive charges. The team continues to improve each week and is developing some great combinations. A big thank you to the Bonnet Bay U12's, they proved to be a worthy opposition and played the game with great spirit.

Change of Grounds

As you are all probably aware by now, we have moved down to the bottom field of Box Road , Sylvania. This will be our ground every week, as it makes it easier to ensure the game runs on time.

Our games will be the same times as normal.

Cuddly Bear/Panda Bears 1.30pm

Koala Bears 2.15pm

Bob Cats 2.15pm

Polar Bears 3.00pm

Scorpions 3.30 pm

All players should arrive at least 15 mins prior to kick off. This allows us to see how many players each team has, and so the games can run as close to time as possible.

We would like to thank everyone for their support so far and look forward to keeping you up to date via our newsletter !!!

Gala day

Some of our younger teams in the Titans have been invited to take part in a gala day. This would involve them playing games against other clubs, and will be taking place at Engadine at the end of May.
