Koala Bears v Gymea 9A's 3/6/06

Well, this was probably one of our closest games of the seasons, but everyone did an outstanding job.

Tim shone in goals doing some great saves and some brilliant kicks out.

Carl was a machine as usual going on some great runs covering the whole length of the park, closely supported by Alex who is doing some fabulous passes and setting up some great goal opportunities for his team mates.

Adam was tough as nails in the mid field and seems to gain more confidence with each game.

Michael scored a great goal, dribbling the ball from halfway and knocking it past the unsuspecting Gymea Goalie!!

Ben used his speed and did some great outside runs and beautiful passes across goal allowing the strikers to score.

Joel was doing some brilliant defensive clearances and scored 2 outstanding goals.

Special thanks to the wonderful Gymea 9A'S. These boys really got into the spirit of what the Titans are about, and they made soccer a pleasure on Saturday!

Bob Cats v Georges River 3/6/06

As a result of a very cold and windy day the Bob Cats were down to only four players and thanks to George River whose players showed fantastic sportsmanship to make up the numbers we had game on.

All the players tried hard and even managed to score a couple of good goals. Michael showed some fine touches on the ball and Harrison displayed his usual array of powerful clearing kicks. As always Joshua ran all day and was rewarded for his effort with a nice penalty goal.

Kienwyn enjoyed another good game having already had a run in the earlier match and is settling into the team.

Whilst the game was good fun and we were able to provide the opposition with a competitive match thanks to their support by lending us a couple of players, it is important that where ever possible we all attempt to turn up each weekend and when unable to make it please let me know as soon as possible. It is only fair on our opposition that we make every effort to field a full team each week.

Looking forward to next weeks game.
Brendan

Polar Bears v Bangor 11's 3/6/06

This week the Polar Bears played the Bangor U11's. Both teams put on a great display of soccer and the Polar Bears really appreciated Bangor's kindness and support. It's great to see our team continue to improve their soccer skills each week, they are certainly getting the hang of things now. Ryan had a great game this week and was all over the park helping out in defence and making some great runs into our oppositions goals. Emma again had a big impact on the teams scoring success converting quite a few shoots at goal. Brandon played the first half in goals, saving a number of attempts and then made some determined charges in the 2nd half. Peter had a great game this week, only his second with the team and didn't stop all day, making some great kicks to get us out of trouble. Alex also played well this week and got heavily involved through-out the game and made some great kicks. Josh E played well in offense and was able to score a great goal at a crucial time in the match. Josh K was also very active in the first half this week and played well in the goals for the 2nd half of the match, making a number of saves. The Polar Bears would like to sincerely thank Neil & his team for a great match, they were truly fabulous. We'd also like to thank Bangor for providing the Ref on the day, and he was also terrific!
