ISSUE NUMBER 7

Hello Fellow Titans,

Welcome to the 7th edition of our newsletter.

Well the season is well underway and all our players are improving and having more fun each week.

I hope you are finding this newsletter informative but don't forget this is for all the parents and players so if there is anything you wish to share with the rest of the club then send me an e-mail via the link on our web site and I will include it in the newsletter.

Koala Bears v Miranda 17/6/06

Koala's v Miranda.

The koalas just keep getting better and better!!

Pretty soon they won't even need us on the field!

Carl is a goal scoring machine!! He went on some great chases and knocked it past their goalie effortlessly.

Joel was on fire today and was running the length of the field with a big smile on his face on the way to scoring a goal.

Alex supported his team mates beautifully doing some really accurate passes and supporting all players with the ball.

Tim went into goals and was determined not to let any in!

Jack and Connor stepped into the role of full backs and did everything they could to keep the ball out of our half.

Michael and Ben were awesome as always with Ben putting plenty of pressure on the opposition, and Michael showing plenty of determination in getting the ball.

overall, a great game, and the end result was a very happy team.

Thanks to Miranda, Alex our Ref, and Kimberly for all her help.

PS Don't forget to start organising your tables for our launch nite on the 29th July!!!!

xoxo

Polar Bears vs Sutherland

North 11B's Date: 17/6/06

Another great hit out by the mighty Polar Bears. This week we were up against the Sutherland North Rockets who were great sports and very supportive of the Polar Bears. Our game was off to a great start with an early goal scored by Keegan who also played a key role as a sweeper in the 2nd half stifling many great runs by the Rockets. Josh E had a very influential game scoring two goals and was ably supported by Alex who provided some great passes to keep the team moving forward. Brandon was also very active during the game scoring two goals at key points and saving a number of goals in the 2nd half. Josh K had a great game in goals during the 1st half and transferred his enthusiasm to some keen runs in the later stages of the match. Arielle was also very active during the game and provided a solid wall of defence in the 2nd half. Peter was all over the park today and never stopped trying and has become a real asset to the team since joining a few weeks ago. Last but certainly not least was Ryan who was instrumental in moving the team into the Rockets goal area. Once again the Polar Bears would like to sincerely thank Sutherland North 11B players for their great sense of fun and sportsmanship.
